Are you great on the phone? Maybe you could help us contact potential donors or answer the phones for us during a staff meeting.

Maybe you are super detail oriented. You can help us to more efficiently archive older information and organize auction items.

### What Rock For Kids can do for you:

Work with your schedule. Do you want to come in one time, once a week, twice per month?

Provide feedback for school credit for interns.

### What we can't do:

**Rock For Kids** doesn't book or promote bands

If you are interested in holding an event please read over our **Events Policy**.

**Rock For Kids** never uses volunteer music teachers. For quality control and liability purposes, **Rock For Kids** contracts professional teachers and pays them.

There are currently no paid positions available.

**Rock For Kids** currently has a professional print and design sponsor. Just like a for profit business, the consistency of our image is important to us. Therefore, we do not accept any design or marketing volunteer work whether it is from students or professionals.

If you would like to help out, contact us at [info@rockforkids.org](mailto:info@rockforkids.org) let us know what kind of time you would like to commit, whether you are looking for an internship or volunteer position and if you would like to be added to our volunteer database.
